50 Series All Steel Drum

Capacity up to 700 lbs. Available in two styles: Knocked Down (KD) packaged in convenient, protective UPS shippable cartons and Factory Welded (FW) for maximum strength and rigidity, also UPS shippable. Both models have a 700 lb. capacity and rugged steel angle-iron construction for long service. We offer the largest variety of models available in the industry. Select from rigid wheels or easily steered models with swivel casters and retractable steel handles with chime hook. Wheels are non-spark polyolefin or semi-steel. Features Knocked-down or factory-welded styles Rugged steel angle-iron construction

Item #	Height	Load Capacity	Wheel Type	Wheel Size	Drain Height
